

The Lord Loads His People Daily with Benefits
(Psalm 68:19)

Introduction:

1. According to the title, David wrote this Psalm, and he called upon God's people to bless Him and to praise Him (vs.4, 26, 34-35).
2. David listed a number of ways in which God blessed His people and delivered them from their enemies.
3. We are especially interested in the statement in vs.19 -- David said that "the Lord loads His people daily with benefits."
4. We understand that "with benefits come responsibilities."
5. In our lesson we are examining "5 daily responsibilities from the Lord that will benefit us."
