

## The Promises of God - Lesson 10

### Introduction:

1. To fully appreciate God's promises, we must keep in mind that:
  - a. they are "*exceeding great and precious*" (2 Peter 1:4)
  - b. they are "trustworthy" -- God "*is not slack concerning His promise*" (2 Peter 3:9)
  - c. they are "effective" -- by them we can be "*partakers of the divine nature*" (2 Peter 1:4).
2. To properly understand God's promises, we must keep in mind that some of them are "conditional."
3. In this lesson we are beginning a study of "God's promise to establish His kingdom."
4. We are concentrating on a key prophecy recorded in Daniel 2:44-45 that shows when God would establish His kingdom.
