

The Story of Jesus
(Lesson 24)

Introduction:

1. In 2 Peter 3:18 we are instructed to grow in the knowledge of Christ.
2. Jesus revealed the key to accomplishing this growth in John 5:39.
3. Jesus' biography is found in the Gospels -- Matthew, Mark, Luke, and John.
4. A general knowledge of these books is helpful as we study them.
5. This lesson is a study of the Gospel of Luke.

Discussion:

I. GENERAL INFORMATION ABOUT JESUS' BIOGRAPHY BY LUKE

- A. Concerning the writer's identity, Luke:
 1. was a fellow laborer of Paul (Philemon 24)
 2. was "*the beloved physician*" (Colossians 4:14)
 3. was with Paul near the end of his life (2 Timothy 4:11).
- B. The Gospel of Luke seems to have been written primarily for the Greeks.
 1. The Lord's genealogy is traced to Adam, the common ancestor of Jews and Gentiles (3:23-38).
 2. Greek culture stressed matters such as mental, physical, spiritual, and social development [Luke showed how Jesus grew in these areas -- 2:52].
 3. Greeks also considered virtues such as compassion to be very important [Jesus often demonstrated His compassion through His miracles -- 6:17-19; 7:11-16].
- C. Luke's purpose for writing is revealed in 1:1-4.
