

## The Gospel of John

### (Lesson 09)

#### Introduction:

1. The apostle John recorded a great amount of information in his Gospel that will help us to grow in the knowledge of Christ as we are instructed in 2 Peter 3:18.
2. The work that Jesus accomplished during His ministry is summarized in passages such as Matthew 9:35.
3. John's Gospel provides a number of details concerning the Lord's travels.
  - a. Jesus had been in the area where John was baptizing (1:28).
  - b. He went to Galilee (1:43).
  - c. In Galilee, He went to Cana (2:1) and Capernaum (2:12).
  - d. He went to Jerusalem (2:13).
  - e. He went into "the land of Judea" (3:22).
  - f. He left Judea to go to Galilee (4:3).
  - g. He traveled through Samaria (4:4).
4. As Jesus traveled from place to place, He interacted with many people and performed many miracles.
  - a. The reactions of people who interacted with the Lord and their statements teach us about His identity (1:34, 40-41, 49; 4:39-42).
  - b. The Lord's miracles led many to believe on Him (2:11, 23; 3:1-2).
5. In this lesson we are studying the information recorded in John 4:43-54.
6. These verses tell us about one of the Lord's miracles of healing.
